Company Profile

Alfa-MOS Technology Corp.

Jan. 2019

- **Alfa-MOS Technology Corp.** is established in 2010, Taipei, Taiwan. Company is near to **Taipei NanKang Sofeware Park (NKSP)**.
- **Alfa-MOS Technology Corp.** specializes intellectual properties in the development of Advance Power MOSFET & Power Management ICs.
- All of product in **Alfa-MOS Technology Corp.**, the is applied in wide electronic field, including portable electronic equipment, PC, Notebook ...etc.
- Specially, the LED Lighting & E-bike, **Alfa-MOS Technology Corp.** do the effort to support the high voltage& Ultra-Low RDS(on) Power MOSFET.
- To offer the Halogen-Free and Excellent property products, **Alfa-MOS Technology Corp.** contributes to “**Green Product**”, the product are qualified by **SGS** and meets **ROHS** specifications.
